Introducing the Cisco Spark Board!

The Cisco Spark™ Board is an all-in-one device that provides every-thing you need to collaborate with your teams in physical meeting rooms. You can wirelessly present, white board, and have video and audio calls. And it securely connects to your virtual teams through the Cisco Spark service, via your Cisco Spark app-enabled devices, so you can take your meetings and content on the road.

ANY TIME.

ANYWHERE.

ANY DEVICE.
